Explanation of Responses:

- 5,000 of the shares were vested on the date of grant. The remaining 20,000 shares will vest 1/48th on the first day of each month, commencing September 1, 2019, until the stock option becomes fully vested and exercisable. The option is subject to early exercise and, therefore, all or any part of the option can be exercised at any time. If the reporting person elects to take advantage of the early exercise feature and purchase shares prior to the vesting of such shares, the shares will be deemed restricted stock and will be subject to a repurchase option in favor of the Registrant if the reporting person's service to the Registrant terminates prior to vesting.
- The reported transactions involved the repricing of outstanding options, resulting in the deemed cancellation of the "old" options and the grant of replacement options, with a new exercise price of \$1.39 per share.
